

Name: John Wysor

Date: 11/26/2025

ADM File Number: 2025-14

Comment:

I support Proposed Amendment 2025-14 of MCR 8.115. This rule would be a powerful and commonsense way to avoid threatening situations for any resident who is attending court proceedings, which would improve the functioning of the courts and benefit me and all residents. Thank you for this opportunity to comment.
