Comment:

I fully support proposed rule 2025-14 to prohibit civil arrest of immigrants appearing at courts in Michigan.

I further suggest/request the rule prohibit such arrests anywhere within 1000 feet of all court property lines.

Lawful and law-abiding immigrants following the law by showing up as required should not be entrapped and kidnapped by masked, unidentified federal goons.

The Trump administration is out of control and needs to be brought back under control by this and other legislation.

Thank you for doing this and please be sure to announce and do a large media release when this is finalized to let us know.
