

Name: Erin Dunn

Date: 12/04/2025

ADM File Number: 2025-14

Comment:

Our courthouses should be safe for all individuals conducting business within the walls. It is preposterous that an individual show up for a proceeding - doing the right thing! - and then accosted and punished for following the very rules they are trying to follow. This is a Catch - 22 and abuse. Please make them a safe space.
