

Name: Soilo Arroyo

Date: 12/21/2025

ADM File Number: 2025-14

Comment:

I served 20+ years in the military in defense of our Constitution. In recent years, I have seen the rule of law being politicized to serve partisan interests more than ever before. Partisan interests infiltrating due process as set forth in our Constitution deteriorates the democratic values we hold dear in our society. We need courageous leadership to protect our democracy. Pass this bill.
