Judges

The motion to waive fees is GRANTED for this case only.

The motion to appoint counsel is DENIED.

The motion to expand the record is DENIED. However, we note that the affidavits defendant filed in support of his motion for relief from judgment were presented to the trial court and are properly part of the record on appeal. There is no need to expand the record to include these affidavits.

The motion to remand is DENIED.

The motion to subpoena medical records is DENIED.

The delayed application for leave to appeal is DENIED because defendant has failed to establish that the trial court erred in denying the successive motion for relief from judgment.
