Judges

The motion for immediate consideration is GRANTED.

The motion to waive the requirements of MCR 7.209 is GRANTED.

The motion for stay pending appeal is DENIED.

The motion for leave to file supplemental brief is GRANTED.

Pursuant to MCR 7.205(E)(2), in lieu of granting the application for leave to appeal, we VACATE the portion of the trial court's August 21, 2026 order that prohibits the filing of further motions until the psychological evaluations have been completed and reviewed by the trial court. This precondition impermissibly conflicts with MCL 722.27(1)(c), which permits the modification of an existing order in a child custody dispute upon the showing of proper cause or change in circumstances. *Winkler v Winkler*, ___ Mich App ____, ____; ____ NW3d ____ (2026) (Docket No. 377570); slip op at 11-12.

In all other respects, the application for leave to appeal is DENIED for lack of merit in the grounds presented.

We do not retain jurisdiction.
