Re: Rachel Lynn Sands v Anthony Lee Sands
Court of Appeals No. 382338
Lower Court No. 2025-037020-DZ
Request to Withdraw Motion to Waive Fees

Dear Clerk:

I am the self-represented Defendant-Appellant in this matter. In response to the Court's October 15, 2026 defect letter, I respectfully request withdrawal of only my pending motion to waive fees.

After further reviewing the fee-waiver requirements, I understand that the basis identified in my original request does not establish eligibility under the need-based public-assistance category. I therefore elect not to pursue that fee-waiver request.

This request does not withdraw my application for leave to appeal, my motion to extend time to file a reply, or my motion for immediate consideration. I continue to request consideration of those two motions. Both were electronically served on Philip Glovick through MiFILE on October 16, 2026, and MiFILE automatically submitted the proof of service.

Please confirm the outstanding fees for the pending motions and the method for paying them. I will arrange payment promptly as directed by the Clerk's Office.

Please advise whether any additional document or action is required to complete this limited withdrawal, and confirm when the fee-related deficiency has been resolved.

Respectfully submitted,

/s/ Anthony Lee Sands Date: October 16, 2026
