HON. JINAN HAMMOUD,
WASHTENAW COUNTY CIRCUIT COURT JUDGE,
Defendant-Appellee.

MOTION TO WITHDRAW EMERGENCY MOTION FOR IMMEDIATE WAIVER OF FILING FEES

NOW COMES Plaintiff-Appellant, Yvette Perkins, by and through her legal representative framework, Jones Legal Consultants, and respectfully moves this Honorable Court to withdraw her previously filed Emergency Motion for Immediate Waiver of Filing Fees, stating as follows:

1. On or about Ms. Perkins' case progression, Plaintiff-Appellant filed an Application for Leave to Appeal alongside an Emergency Motion for Immediate Waiver of Filing Fees in this Court.

2. Upon further evaluation of the administrative tracking matrix and procedural requirements, Plaintiff-Appellant has elected to pay the requisite appellate filing fee of $575.00 in full to avoid any further administrative or processing delays in scheduling her emergency appeal.

3. This withdrawal is made in good faith and is not intended for the purpose of undue delay, but rather to ensure the expedited review of the fundamental jurisdictional defects underlying her underlying conviction, specifically the total absence of a signed, filed, and validated criminal charging document in the trial court records.

WHEREFORE, Plaintiff-Appellant respectfully requests that this Honorable Court grant this Motion, permit the withdrawal of her Emergency Motion for Immediate Waiver of Filing Fees, accept the standard appellate filing fee, and proceed with the immediate consideration of her Application for Leave to Appeal.

Dated: October 30, 2026

Respectfully submitted,
