Judges

The motion to waive fees is GRANTED for this case only.

The motions for immediate consideration are GRANTED.

The complaint for superintending control is DENIED AS MOOT. The complaint seeks an order compelling a decision with regard to a matter filed in Wayne Circuit Court. However, as plaintiff now acknowledges, an order denying relief and closing the case has been entered below. As such, this complaint for superintending control is moot. Plaintiff may appeal the order denying relief entered by the trial court, provided that any such filing complies with the requirements of the Court Rules, including any applicable timing requirements.
