Andrew J. Lievense
Judges

---

The motions for immediate consideration are GRANTED.

The "renewed emergency motion for injunction pending appeal under MCR 2.614(C) and 2.614(F)" is DENIED.

The motion to consolidate is GRANTED, and this case is CONSOLIDATED with the application filed in Docket No. 382443, *Blackwell v Nat'l Collegiate Athletic Ass'n*.

The motion to expedite is GRANTED to the following extent: The appellee's brief is due on November 30, 2026. No extensions of time will be allowed for filing of the brief except by order of the Court.

The clerk is directed to expedite the submission of this case on the session calendar in accordance with MCR 7.213(C)(7).

Presiding Judge

LIEVENSE, J., concurs in part and dissents in part. I join with the majority opinion to the extent that it grants the motions for immediate consideration, the motion to consolidate, and the motion to expedite. I dissent, in part, because I would grant the motion for an injunction pending appeal. In short, based on the available record, I do not see how this case is materially different from the many other Michigan cases where injunctive relief has been granted.
