STIPULATED ORDER ADJOURNING DATES

The Court issued an order on December 12, 2025 that scheduled an evidentiary hearing for March 16, 2026 and required the parties to present a joint statement of stipulated facts and evidence no later than March 9, 2026. The parties have nearly finalized a resolution of the dispute that is the basis for the December 12, 2025 order. Accordingly, the two dates in the December 12, 2025 order are adjourned pending the parties' final resolution of the dispute.

This is not a final order and does not close the case.

IT IS SO ORDERED.

Dated: March 3, 2026
