Judge Yates said that because of the box plaintiff's counsel checked, Judge Yates does not have to sign the satisfaction of judgment. He asked me to confirm this with you so that we don't have to have yet another status conference to close this case that plaintiff thought was already closed. The satisfaction of judgment will close the case once it is docketed as it has the "final order" language that Judge Yates requested.

Vicki,

This is what was submitted. It hasn't been docketed yet but I wanted to send it along to you because I know you've been waiting for it.
