Plaintiff,

v

Case No. 24-000103-MZ

MICHIGAN DEPARTMENT OF TRANSPORTATION and STATE OF MICHIGAN,

Hon. Randy J. Wallace

Defendants.

SUPPLEMENTAL ORDER RE: DEFENDANTS' MOTION FOR SUMMARY DISPOSITION OF PLAINTIFF'S CLAIM FOR FIRST-PARTY BENEFITS

In this action involving claims for first-party and third-party no-fault benefits, defendants moved for summary disposition of both claims after the close of discovery. On September 17, 2026, this Court issued an opinion and order denying defendants' motion for summary disposition of the third-party claim and requiring the parties to submit supplemental briefing addressing the status of plaintiff's first party claim in light of plaintiff's representation in his response brief that there were outstanding medical bills that have not been paid.

The supplemental briefing was due on October 15, 2026. Defendants submitted a supplemental brief in which they represent that defendant MDOT's third-party administrator has fully paid the outstanding bills identified in plaintiff's response brief, and has fully paid a new balance of $401 from McLaren Hospital that was not previously provided to MDOT. Thus, defendants represent that all balances have been paid to date. Defendants have provided an

affidavit and other documentation to substantiate that the outstanding bills were paid. Plaintiff has not submitted a supplemental brief. Accordingly,

IT IS HEREBY ORDERED that plaintiff's claims for personal protection insurance (PIP) benefits incurred through October 15, 2025, i.e., plaintiff's claims for PIP benefits incurred more than one year prior to the date of this order, are dismissed with prejudice;

IT IS FURTHER ORDERED that any claim for PIP benefits incurred after October 15, 2025 is not affected by this order.

IT IS SO ORDERED. This order does not resolve the last pending claim and does not close the case.

Date: October 16, 2026
