OPINION AND ORDER DENYING PLAINTIFF'S 11/24/25 MOTION FOR RECONSIDERATION

On November 3, 2025, the Court denied both plaintiff's and defendants' motions for summary disposition in this action challenging the validity of legislative subpoenas for the entirety of the election training materials in the Michigan Department of State's (MDOS) eLearning Portal. On November 24, 2025, plaintiff sought reconsideration of the November 3, 2025 opinion and order, contending that the Court committed palpable error in turning legislative purpose into a factual, rather than legal, issue. Having discerned no palpable error in the Court's opinion and order, the Court DENIES the motion for reconsideration.

This is not a final order resolving all issues in this case.
