ORDER DENYING PLAINTIFFS' MOTION TO EXCEED PAGE LIMIT

On December 1, 2025, plaintiffs moved to file a response to defendants' motion for summary disposition that exceeds the page limit set out in Court of Claims LCR 2.119(A)(3). Because plaintiffs' motion does not affirmatively state that plaintiffs requested opposing counsel's concurrence in the relief sought and that opposing counsel denied or did not acquiesce in the relief sought as required by Court of Claims LCR 2.119(A)(2), plaintiffs' motion is DENIED without prejudice to plaintiffs refiling a motion if necessary or a stipulation if defendants agree. Because

plaintiffs' response filed on December 1, 2025, exceeds the page limit in Court of Claims LCR 2.119(A)(3), it is not accepted for filing.

IT IS SO ORDERED. This is not a final order and does not close the case

Date: December 3, 2025

Hon. Brock A. Swartzle
Chief Judge, Court of Claims
