ORDER MODIFYING JANUARY 16, 2026 SCHEDULING ORDER

On January 16, 2026, the Court entered a scheduling order setting a briefing schedule in the event defendants filed a motion for summary disposition in lieu of an answer. That briefing schedule provided that the response to such a motion would be due on February 13, 2026, that a reply would be due on February 20, 2026, and that a hearing on any pending motions would be held on February 27, 2026. The State defendants and the Michigan Economic Development Corporation (MEDC) defendants each filed motions for summary disposition. On February 13, 2026, plaintiff filed a combined brief in opposition to the motions and a cross-motion for summary disposition.

Before the Court is the MEDC defendants' request for guidance on how to proceed with briefing most efficiently and equitably in light of plaintiff's cross-motion for summary disposition, while remaining within the timeline set for hearing. The Court orders that the February 20, 2026 reply deadline is modified to set a February 24, 2026 deadline for a combined reply and response

to plaintiff's cross-motion for summary disposition. Defendants shall file a combined reply and response to plaintiff's motion for summary disposition no later than 4:00 p.m. on February 24, 2026. No further briefing will be permitted.

IT IS SO ORDERED. This is not a final order and does not close the case.

Date: February 20, 2026
