Plaintiff,

Case No. 26-000007-MB

DEPARTMENT OF TECHNOLOGY, MANAGEMENT AND BUDGET, et al.,

Hon. Michael F. Gadola

Defendants.

THIRD STIPULATED ORDER OF ADJOURNMENT

On February 27, 2026, the parties appeared before the Court for a hearing on cross-motions for summary disposition. Before the hearing commenced, the parties requested an off-the-record status conference with the Court. The parties thereafter stipulated on the record to adjourn the hearing to allow the parties to engage in discussions that could resolve the issues in dispute in this matter. The Court granted the parties a two-week adjournment and ordered the parties to file a joint stipulation regarding the status of their discussions no later than Friday, March 13, 2026.

In their March 13, 2026 joint stipulation, the parties stated that they have engaged in preliminary but fruitful discussions about the possibility of resolving this dispute. The parties believe that further adjournment will allow them to have significant, in-depth negotiations toward mutual resolution of the dispute. The Court granted the parties an eight-week adjournment and ordered the parties to file a joint stipulation regarding the status of their discussions no later than Friday, May 8, 2026.

In their May 8, 2026 joint stipulation, the parties stated that they have been involved in good-faith discussions that are anticipated to involve potential resolution of all claims in this matter. They request an additional two-week adjournment in order to attempt to reach a final settlement. Accordingly,

IT IS ORDERED that the parties' request for an additional two-week adjournment is GRANTED.

IT IS FURTHER ORDERED that the parties are to file a joint stipulation regarding the status of their negotiations no later than 4:00 p.m. on Friday, May 22, 2026.

IT IS SO ORDERED. This is not a final order and does not close the case.

Date: May 12, 2026

Hon. Michael F. Gadola
Chief Judge, Court of Claims.
