Plaintiff,

v

Case No. 26-000020-MZ

STATE OF MICHIGAN, by and through MICHIGAN DEPARTMENT OF TREASURY,

Hon. Michael F. Gadola

Defendants.

ORDER REJECTING COMPLAINT

Plaintiff filed 23 actions in this Court between March 2021 and May 2021. In an opinion and order dismissing one of those actions, the Court found that in each of those 23 cases the Court clearly had no jurisdiction, or in the ones where the Court had jurisdiction, the complaint was patently frivolous. *Cassaday v Murdoch*, unpublished opinion of the Court of Claims, issued May 19, 2021 (Docket No. 21-000106-MZ); unpub op at 4. The Court ordered that any future complaints filed by plaintiff be immediately rejected if plaintiff did not file with the complaint a sworn statement under oath that the complaint (1) has a basis in fact, and is not filed for the purposes of harassment, and (2) that the allegations are not frivolous or made in bad faith. *Id*. Plaintiff failed to file the required sworn statement with the complaint in this case. Accordingly, the Court rejects the February 2, 2026 complaint submitted by plaintiff without prejudice to plaintiff refiling the action along with a sworn statement as required by this Court's 2021 order.

IT IS SO ORDERED. This is a final order and closes the case.

Date: February 11, 2026
